

Report of "YOGA SEMINAR"

21st June 2018

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system.

Yoga and its applications for health, stress relief, personality development, value enrichment, skill development and enhancement (in education, music, sports) emotional balancing, interpersonal relationship, conflict management, etc. were covered. The sessions had special trainings of asanas, pranayama's and meditations for the above stated purposes.

Practicing Yoga is known to improve flexibility, balance, endurance and physical strength while Meditation helps to keep the mind sharp and clear relieves stress and improves overall well being. College promotes health benefits among the faculty and students through Yoga and Meditation. This wellness platform hugely contributes in creating stress free positive environment and healthy way of thinking and living.

21st June 2018, Eknath B. Madhavi Senior College celebrated International Yoga Day . The seminar was conducted by Vivekananda kendra Dombivli . Vivekananda kendra and their team took yoga session with great dedication. The session began by seeking the blessings of the Almighty by chanting the Gayatri Mantra. Asanas starting with warming up and stretching were followed by a Padmasanas, Sukhasan, Tadasana, Bhujang Asana and ending with Shavasana. 50 students and our staff attended the seminar and got benefitted.

Report of "ENGLISH SPEAKING GUIDANCE"

Name of Seminar: English Speaking Guidance

Name of the speaker: Mr. Vikas Mahajan

Date of Seminar: 22/08/2018

Number of Participants: 30 students

Objectives of Seminar:

- To increase moral of students in English language and remove fear of speaking English.
- Personality Enhancement.
- To boost communication among students, students and faculties in English language.

Outcome of Seminar

Students will be able to;

- Understand the importance English language in effective communication
- Effectively communicate in English language

Eknath B. Madhavi Senior College has organized a workshop for newly admitted first year B.A students on English speaking Guidance. The seminar is aimed to encourage young students of Madhavi College to learn and explore the spoken English skill to enhance their communication skill. Campus placements are one of the biggest events in every student's life. it's easy to see just how important English is around the world. Many international businesses conduct meetings in English; universities teach courses in English and, around the world, tourists and travelers use English as a common language. Good English is not only classy but a possibility to continue studies and specializations in the best universities in the world, which are in fact, in countries where they speak English. Education is very important to improve yourself but learning English also improves the quality of life. You have access to jobs that you could not even take into consideration, you can evaluate an international career and you can live in many countries. The benefits they bring in the life of a person's knowledge of the English language are countless. What is important to understand is that the English language is able to knock down a lot of barriers, including cultural ones. Mr. Vikas Mahajan has conducted the session for

students. The session includes theory and practical session in which students are given topic and invited for discussion at the desk to motivate and encourage others. Mr. Vikas Mahajan has provided guidance regarding topics like how to enhance vocabulary in English language, how to find good literature to read, importance of English writing to learn about language and motivated students to increase their command over English speaking and removed stage fear while speaking English.

Report of "SOFT SKILL"

The Eknath B. Madhavi Senior College of Arts, Commerce & Science had organized one day workshop on "SOFT SKILL" as on 18/09/2018 at 11.00 am. This seminar was actually proposed by SAKSHAM NGO and Resource person was MR. JITESH BHAMRE.

Soft skills play an important role for achieving professional growth and employment. With the knowledge of soft skills, one stand out in a crowd of job seekers with even mediocre skill and talent. There is no doubt that hard skills i.e. knowledge and technical expertise are prime requirement, for employability but without soft skills it becomes difficult for even highly talented people to corner a job. The most common traits asked by every prospective employer are positive work ethics, good attitude, and desire to learn and be trained. Good attitude being a behavioural skill cannot be taught. But consistent practice and training can instil that in a person. Right perspective and readiness to learn and turn the situation to a positive outcome, take responsibility of one's action with the capacity to take any challenge, so the job seekers must possess soft skill to attract the employer.

LEARNING OBJECTIVES

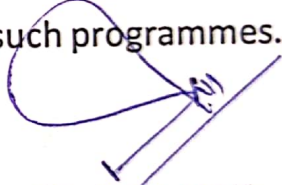

The objectives of the Skills Soft Training Manual are to give each student:

- A realistic perspective of work and work expectations
- To develop problem solving skills
- To guide students in making appropriate and responsible decisions
- To create a desire to fulfil individual goals
- To educate students about unproductive thinking, self-defeating emotional impulses, and self- defeating behaviours.

This seminar was conducted on Personality Development by MR. JITESH BHAMRE. The basic aim and objectives behind this workshop was to instill the art of speaking and boost up the confidence among students so that the improvement in their personality took place. It also plays vital role in improving communication skills among students. Students should be expressive and smart enough to present themselves in front of the public at large in their desired manner. MR. JITESH BHAMRE had expressed his views in such a manner due to which our students were very much happy and learnt a lot and promised them to imbibe all those tactics. At the conclusion of the workshop vote of thank given by Mrs. Samata Mane. 50 students attended the seminar and got benefitted.

We also get elevated by the response of the students and benefits that our students going to receive in the future. We are also motivated to organize such seminars in the future so that our students will get benefitted by such programmes.

Report of "TECHNICAL SUPPORT SEMINAR"

Name of Seminar: TECHNICAL SUPPORT SEMINAR

Name of the speaker: Mr. Parmanand Mishra , Texceed Company

Date of Seminar: 06/02/2019

Number of Participants: 35 students

A Technical Support Engineer helps resolve technical issues within different components of computer systems. This may include: software, hardware, and other network-related IT problems. They can work in a wide range of industries – from telecommunication to automobile, medical and healthcare services to information technology, and many more.

Technical support engineers are highly skilled in fixing technical problems, including network configuration and account setup. They ease any doubts customers may have about products or services by providing consistent communication via telephone or email.

A technical support engineer provides enterprise-level support to customers. An ideal technical support engineer's resume should highlight their ability to conduct research, diagnose, troubleshoot, and resolve IT issues with client satisfaction in mind.

While a technical support engineer's job description varies based on the industry, there are many skills that crossover interchangeably. Most importantly, the average technical support engineer works around-the-clock to provide quality customer service.

Shri Parmanand Mishra and team from TEXCEED Company gave guidance regarding technical support role in industry. He guided students regarding basic troubleshooting in PC, Laptop & Networking. In this seminar students assembling the PC practically.

Their team guided how to make career in IT Technical support that PC , Laptop, Notebook(Hardware) and Networking. 35 students attended the seminar.
