Action Taken Report 2017-18

- 1) Considering the students responses in which students pointed out that the library needs improvement the same was put up in the CDC meeting and it was decided to increase the books availability in the library with some additional seating capacity and according then the new books were purchased for the library.
- 2) Regarding the reading room students very not that much satisfied, a serious note of the same was taken and on urgent basis the situation was put before the management and then permission for necessary actions was received from the management and the process for the same was started.
- 3) As such students had very negligible complains for classrooms, still some minimal repairs were decided to be taken and according the arrangements for the same were made.
- 4) Gymkhana : the overall gymkhana facility was found to be satisfactory. The further improvement of the same was discussed with the management and then it was decided to postpone it further due to the funds availability.
- 5) College office: The students were satisfied with the office services. But still the automation of the office was felt to be necessary accordingly what can be done in this regard was discussed and also it was decided that the non-teaching staff should undergo some training in connection with the same.
- 6) Students were very satisfied with their teaching learning process. This was informed to the management and the management appreciated the teachers for the same and also motivated them to keep themselves upto mark by upgrading themselves.
- 7) Though the teachers are having good knowledge of their subject still it was suggested by principal to update themselves with the changing needs of students learning habits.
