WORKSHOP ON HUMAN RESOURCES & REGIONAL DEVELOPMENT REPORT

A two-day workshop on Human Resources & Regional Development had organized by **Eknath B. Madhavi senior college of arts, commerce & science** on 25/11/2019 & 26/11/2019. The Ms. Survarna Suryawanshi introduced & welcomes resources persons Prof. Ashivna Paul & Mr. Ramprakash Nair.

Day 1:

The First day of the workshop focused on Human Resources. The speaker emphasized the importance of Human Resources in the development of any region. Speaker also covered topics, the impact of technology on the workforce, the importance of diversity and inclusion in the workplace, and the role of Human Resources in talent management.

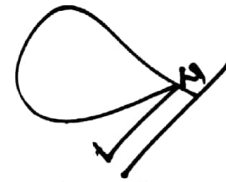

Day 2:

The second day of the workshop focused on Regional Development. The speaker discussed the importance of regional development in achieving economic growth and prosperity. He also highlighted the role of the government in supporting regional development through policies and initiatives. Topics covered included the role of infrastructure in regional development, the importance of entrepreneurship in driving economic growth, and the challenges faced by rural regions in achieving development.

The two-day workshop on Human Resources and Regional Development was a great success. The workshop also provided valuable insights into the challenges faced by the workforce and rural regions, and the role of Human Resources and Regional Development in addressing these challenges.

Vote of thanks given by Mrs. Poonam Sonar

Report on Research Methodology Workshop

Name & type of Event	3 day workshop on Basic Research Methodology
Date of Event	28, 29 & 30/01/2020
Conducted by	Eknath B. Madhavi senior college of arts, commerce & science
Speakers	Dr. Avinash Shendre, Dr. O.N. Nair & Prof. Sonali Sathe
No. of Participant	112

The Eknath B. Madhavi senior college of arts, commerce & science had organized 3day workshop on Research Methodology on 28/02/20, 29/01/20 & 30/01/2020. The program started at 10:30 am by Welcoming the Guests and participants with Saraswati Vandana and Lamp Lightning. The welcome address was given by the Prof. Samata Mane, highlighted the importance of workshop which was followed by the welcome of the Resource Persons Dr. Avinash Shendre, Dr. O.N. Nair & Prof. Sonali Sathe.

Day 1:

The first day of the workshop focused on introducing the students to the basic principles of research. The session began with a discussion on the importance of research and its role in shaping knowledge. The facilitator then went on to explain the different types of research, including qualitative and quantitative research. The students were also taught about the research process and the various steps involved in conducting research.

Day 2:

On the second day of the workshop, the students were introduced to research design. The facilitator explained the various types of research designs, including experimental and non-experimental designs. The students were taught how to formulate research questions and hypotheses, and how to develop a research proposal. The session also included a discussion on the different sampling techniques and data collection methods.

Day 3:

The third day of the workshop was dedicated to data analysis and reporting. The students were taught how to analyze data using statistical software, such as SPSS. The facilitator also discussed different types of data analysis techniques,

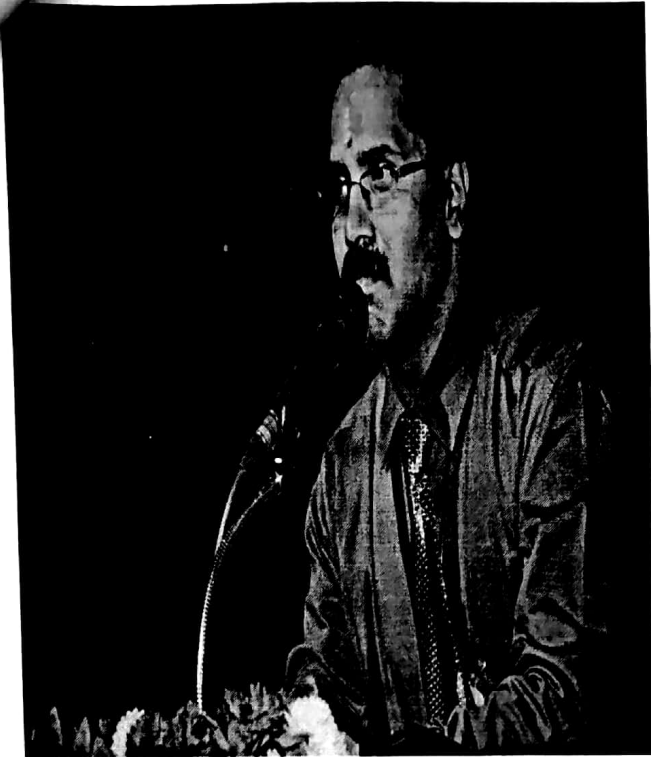

including descriptive statistics, inferential statistics, and regression analysis. The students were taught how to interpret their findings and how to report their research results in a clear and concise manner.

Conclusion:

The three-day workshop on basic research methodology for students was a success. The students gained a solid understanding of the fundamental principles of research, research design, data collection, analysis, and reporting. The workshop equipped the students with the necessary skills to conduct research effectively and efficiently. The facilitator also provided the students with helpful resources, such as research templates, and encouraged them to continue practicing and applying the concepts learned in the workshop.
