

ANTI-DRUGS AWARENESS

Academic Year 2019-20

Every year June 26 is globally observed as International Day against Drug Abuse and Illicit Trafficking by The General Assembly to create awareness about issues related to drugs and to strengthen action and cooperation in achieving a world free of drug abuse. Our college students organised a street play program aimed at spreading awareness about the dangers of drug abuse among the general public.

NIRMALAYA COLLECTION

Academic Year 2019-2020

The flowers, leaves and garlands offered to the idol of Ganpati are generally left into the water ponds, then water become polluted and if it is dropped in the garbage, it become litter and gets desecrated.

To reduce the water pollution and to keep the balance of environment, our college organised Nirmalaya collection drive from 02nd September, to 13th September 2019. The event was meticulously planned and executed by the Paryavaran Dakshata Mandal, Dombivli (E) volunteers, with active participation from college students and faculty members. The planning process involved setting clear objectives, forming a dedicated team, and securing the necessary permissions from local authorities. All were asked to collect Nirmalya from 02nd September, to 13th September 2019 in college premises.

Flood Relief – Food and Medicine Distribution

Academic Year 2019 - 20

Date: 24 August, 2019

Our Student Council and College Management decided to help flood affected people, as the entire Maharashtra has stroked with flood. We informed our students to contribute the essential commodities, some clothes and medicines. Accordingly, students started contributing their help. Our Student Council unit took care of organizing all the things properly. Not only just students, their parents had contributed their help but also our teaching non-teaching staff as well our College Management offered their help without any bias.

With the guidance of teachers, our students made proper packets of essential food items along with few clothes.

Through the reliable sources, we came to know that Kolhapur district area was greatly affected. So, we decided to go and help them directly. So, we choose "Kurundwad and Nrusihawadi" from Tahasil - Shirol, district - Kolhapur. Our management helped us to hire a tempo to go there. Our three teachers with 7 Student Council Members went there and distributed the packets to the needy people. The medicine which we had collected through contribution, was handed over to the local Municipality hospital at Nrusihawadi.
