Report of seminar on Intellectual Property

Name & type of event	Seminar on Intellectual Property
Date of Event	07/10/2023
Venue:-	college auditorium
Conduct by	Eknath B. Madhavi senior college of Arts, Commerce & Science
Organized by:-	IQAC Cell
Resource person	Prof. Sonali Sathe
No. of Participant	117

The one-day seminar on Intellectual Property Rights (IPR), titled "Unlocking Creativity and Innovation for College Students," was held on 07th October, 2024 at college auditorium. The seminar was conducted by Prof. Sonali Sathe, a distinguished expert in the field of intellectual property, with a focus on the significance of IPR in fostering creativity and innovation among college students.

Key Highlights:

Introduction to IPR: The resource person began the session by explaining the fundamentals of Intellectual Property Rights, including patents, copyrights, trademarks, and trade secrets. She emphasized how these rights are crucial for protecting and commercializing creative work.

Importance of IPR: The seminar particularly focused on how students can utilize IPR to safeguard their innovative ideas and creations. Prof. Sonali Sathe highlighted the importance of understanding IPR laws early, which can help students, avoid legal issues and encourage entrepreneurial endeavours.

Innovative Thinking: The resource person discussed how IPR can act as a catalyst for innovation. She encouraged students to think creatively and pursue original solutions, explaining how patents and copyrights could add value to their ideas.

Case Studies and Real-World Examples: The seminar included case studies of successful start-ups and innovators who leveraged IPR to protect and commercialize their inventions. These examples helped students understand the practical application of IPR in business and technology.

Interactive Session: The session was interactive, with students actively participating in discussions on how they can apply IPR in their own academic and personal projects. Prof. Sonali Sathe answered various questions related to the process of filing patents and copyrights, and the benefits of protecting one's intellectual work.

Conclusion:

Prof. Sonali Sathe concluded the seminar by urging students to explore IPR as a tool for both academic success and entrepreneurship. She highlighted the importance of nurturing creativity and protecting intellectual assets in the rapidly evolving global market.

Report of Seminar Women Entrepreneurship

Name & type of event	Seminar Women Entrepreneurship
Date of Event	16/12/2023
Venue:-	college auditorium
Conduct by	Ek Nath B. Madhavi senior college of Arts, Commerce & Science
Organized by:-	IQAC Cell
Resource person	Mrs. Kanchan Gokhale
No. of Participant	112

A seminar on "Women Entrepreneurship" was conducted to inspire and equip students, particularly women, with the skills, knowledge, and motivation to pursue entrepreneurial ventures. The workshop featuring Mrs. Kanchan Gokhale, a women entrepreneur.

The event aimed to raise awareness about the importance of women in business, discuss challenges faced by women entrepreneurs, and provide valuable insights on how to navigate the entrepreneurial landscape.

Mrs Kanchan Gokhale, known for her innovative approach to business and commitment to empowering women in entrepreneurship, shared her personal journey of overcoming obstacles in the male-dominated business world. She highlights the important area of women entrepreneurship, such as:

- To highlight the role of women in shaping the future of business.
- To address the unique challenges women face in entrepreneurship and provide strategies to overcome them.
- To provide practical knowledge on starting and running a business, including funding options, networking, and business strategy.

- To encourage and motivate students to consider entrepreneurship as a viable career option.

Overall, the seminar was an enriching experience for all attendees, offering valuable insights and motivation to pursue entrepreneurship.

Report on Workshop on Sample Design in Research Methodology

Name & type of event	Workshop on Research Methodology
Date of Event	15th February,2024
Venue:-	college auditorium
Conduct by	Eknath B. Madhavi senior college of arts, commerce & science
Organized by:-	IQAC Cell & Commerce Department
Resource person	Mr. M.K.Prasad
No. of Participant	110

On 15th February, 2024, a one-day workshop on "Sample Design in Research Methodology" was conducted for students at college auditorium of college. The session was led by resource person Mr. M.K. Prasad. The workshop aimed to introduce students to the importance of proper sample design and its role in ensuring the validity and reliability of research findings.

Key Highlights

1. Introduction to Sampling:

The resource person began the session by explaining the concept of sampling in research and its significance in representing larger populations. He emphasized the challenges of sampling errors and the impact they have on research outcomes.

2. Types of Sampling Methods:

The workshop covered various sampling techniques, including- Probability Sampling, Simple random sampling, stratified sampling, and cluster sampling. Non-Probability Sampling, Convenience sampling, judgmental sampling, and snowball sampling.

Mr. M.K. Prasad explained the advantages and disadvantages of each method, advising students on when to use each approach based on research objectives.

3. Sample Size Determination:

The session included a detailed discussion on how to determine an appropriate sample size using statistical formulas and considerations for research design. Mr. Gupta provided practical examples and tools that could help students estimate sample sizes effectively.

4. Practical Application:

To ensure a comprehensive understanding, the workshop featured hands-on activities. Students were divided into small groups and given a research scenario to design a sampling strategy. This exercise helped students apply the concepts they had learned in a real-world context.

5. Q&A Session:

The workshop concluded with a Q&A session, where Mr. Gupta addressed student queries on the challenges of sample design, especially in complex research contexts.

Conclusion:

The workshop was highly informative and beneficial for students pursuing research in various fields. Mr. Gupta's expertise provided valuable insights into the critical aspects of sample design, enhancing students' understanding of how to plan and execute research studies effectively.
